Practice Areas

Employee Benefits

We offer services to participants and beneficiaries of employee benefit plans and aggressively advocate their positions before state and federal courts.

Insurance

We offer aggressive advocacy for policy holders in coverage and bad faith litigation in state and federal courts.

Litigation

We offer aggressive advocacy in a variety of practice areas for individuals and small business people in state and federal courts.

Real Estate & Property

We offer comprehensive and aggressive counseling and advocacy in connection with contemplated and/or disputed real estate transactions.

Small Claims

On our web site, SmallClaimsAdvice.com, we offer cost-effective legal advice for California small claims cases: professional research and a well-written brief discussing each case submitted, for a \$125 flat fee.

Attorney Profile

- **Richard Johnston** - Mr. Johnston graduated from University of California Hastings College of the Law in 1986, after serving as Article Editor on the Hastings Law Journal during the 1985-86 term. He practiced in San Francisco, California for 12 years, representing insurance carriers and other large business entities in insurance, employment, and real estate litigation. In early 1999 he started a private practice in Santa Rosa, California, concentrating in the same practice areas but representing consumers and small business rather than large institutional entities. He also manages SmallClaimsAdvice.com, a consumer-oriented legal advice web site exclusively serving California small claims court litigants. Mr. Johnston has also served as a special deputy assistant district attorney for the City and County of San Francisco, and is a published author of professional literature.

Musick Peeler & Garret, LLP

[Business & Technology Practice Group]

Our Firm Our Approach General Counsel Strategic Partners Contact Us

Our Firm

Musick, Peeler & Garrett LLP is an established full-service California law firm tracing its origins to the early 1920s. Headquartered in Los Angeles, the firm also has offices in San Francisco, San Diego, Orange County and Santa Barbara, providing state-wide coverage for the legal needs of the firm's start-up and emerging technology clients.

The **Business & Technology Practice Group** draws on the expertise of attorneys from each of the firm's major practice groups, including: Corporate & Real Estate, Tax & Employee Benefits, Labor & Employment, Business Litigation, and Trust & Estates. The firm presently has approximately 100 experienced attorneys, of which 60 are partners.

Above all, MP&G's **Business & Technology Group** is built around the idea that long-term relationships with our clients best serve the interest of both the client and the firm. To facilitate this relationship, we designed and implemented an innovative approach to the delivery of legal services which is outlined throughout these pages.

We invite you to learn more about MP&G and the **Business & Technology Group** in all of the following areas:

- **Our Unique Approach:** Read about what makes us so different, why that approach is so important to the attorneys practicing at MP&G, and how this philosophy directly benefits you.
- **Outside General Counsel:** Learn a little about the "out of the box" thinking that led us to redesign the manner in which we deliver legal services to our start-up, middle market and technology clients.
- **Strategic Partnerships:** Explore the value added resources and network contacts which we provide to all of our clients as part of our Strategic Partnership program.
- **Contact Information:** Get started on building a new relationship with MP&G's **Business & Technology Group**.
